## ***April 2018 Newsletter***

Dear Members and Colleagues,

Before I share some current news with you, I want to thank each of you for your contributions to ADSAI and our professions. Success is a team effort, and you are a valued and appreciated member of this team!

Our association has been working very hard on bringing in new members, and we have had some success. As always, there's room for improvement, like one, two, or twenty new members!

In addition, we have established a Facebook Page! Every member is encouraged to like and/or post on this page. Please feel free to share with friends and colleagues. This tool is an amazing way to have ADSAI grow and be followed. My hope is that both new and established companies along with individual members become interested in joining ADSAI.

Now on to some fun things... Fundraising Events!

1) ADSAI Night at the Races at Hawthorne Park Race Track on Saturday July 14<sup>th</sup>, 2018

Join us for a night of racing, food, mingling with family, friends, colleagues, clients! Don't forget great raffles and perhaps a winning race or two!!

2) The 1<sup>st</sup> Annual Vince Ruffolo Re-Qualification & Marksmanship Tournament (Date and time TBD)

This day provides the opportunity to re-qualify for firearms including handguns, revolvers and semi-automatic pistols, rifle and shot gun. We will also have marksmanship tournament and various other events. Great way to express your competitive side too!

Both of these events can provide ADSAI exposure and funds we need.

Thanks,  
Bia Tyk, President

## Recognizing Bob Rusch

At the March 2018 meeting, Bob Rusch was recognized by the association for his service as president for two terms from 2015-2017.

Current President Bia Tyk presented a plaque to Bob.

Bob continues his service to ADSAI as Chairman of the Board for 2018.

## From our Lobbyist

April, 2018

Legislative Report from John Carr:

John and Alice continue to make strides on ADSAI's 2018 legislative agenda.

On Wednesday, April 11, the Senate Judiciary Committee unanimously passed Senate Bill 2642 (Munoz) on a vote of 11-0-0. That bill will now go before the Illinois Senate for a floor vote. SB 2642 deletes the requirement (under State law) for retired police officers from having to obtain a Firearm Control Card (FCC) to be a licensed private detective if they are already in good standing under federal law (The LEOSA Act of 2004). We hope SB 2642 will make it

easier for our members to quickly hire retired police officers into the profession.

In addition, our lobbyists successfully 'killed' SB 3146, a hostile amendment to our Act that would have deleted our members' ability to file an injunction against unlicensed individuals and companies that hold themselves out to be licensed guards and detectives.

While the lobbying team was unable to move SB 2462--a bill creating continuing education (CE) standards for private detectives--Representative Brian Stewart, himself a retired police officer and licensed private detective, has pledged to assist us on strategies to implement CE requirements by administrative rule. John and Alice will be meeting with Rep. Stewart during the next few weeks to discuss ways in which Illinois' Department of Financial and Professional Regulation can implement our CE initiative.

~ John Carr and Alice Koza
